**Club is on Facebook** under the name “Garden Club – Lacey, WA”

**Facebook URL Address:** <https://www.facebook.com/groups/811248363970476>

**Brief description of club goals, projects and activities:** We do plenty!

1. Floriography: The language of flowers. Flowers bring and support pollinators. What is blooming in your yard? We share our home horticulture with a new host presentation each month.
2. Increasing our knowledge: Different programs monthly geared for both novice and experienced gardeners, including “make it/take it” workshops.
3. Practicing the three “R’s”: Reduce, Recycle, Reuse. We work in line with the Conservation Pledge to not waste our natural resources.
4. Community Service: Maintaining the grounds at Lacey Civic Plaza (4 Flags). Our club flower, Camellia, surrounds the Blue Star Marker which honors our military veterans.
5. Having fun: Field trips, nursery visits, sharing our gardens and making new friends. We welcome visitors.
