Club Interests: “The objectives of our club are to stimulate knowledge and love of gardening in cooperation with other agencies in promoting the goals of the National Garden Club, Inc., which include gardening, conservation and roadside beautification. Our club projects include the beautification of the Blue Star Memorial Marker in the roadside park in Randle, WA; maintenance of the Children’s Butterfly Garden in partnership with the White Pass Elementary School; Club Growing Project; honoring Veterans, and participating and hosting flower shows. We have two fundraising events every year including a plant sale in May and Christmas wreaths, swags, and cemetery pieces in November and December.”
