Arbor Day

Queens of Spades Garden Club
Kelso Garden Club

Central District
CAL

Community Enhancement and Service

Roadside Beautification

1st Carleton Park Garden Club

Greater Seattle District

Cleaned and replanted a roadside garden, at the entrance to the Magnolia Village.

One of three public gardens maintained in the immediate area.

1st Queen of Spades Garden Club

Central District

Creation of a roadside xeroscape corner garden on each side of the

Intersection in downtown Ellensburg.

Community Beautification/Container Gardening

1st Garden Hour Garden Club

Hill & Dale District

Large containers planted on the grounds of the Melton City Hall and Senior Center

Civic Achievement/Container Gardening

1st Olympia Garden Club

Black Hills District

Refurbished and planted 4- planter boxes and multiple pots at the

Plum Street transitional housing community in Olympia

Community Gardens

Establish a new community garden while partnering with another organization.

1st Marine Hills Garden Club

Chinook District

In partnership with the Norman Center Transition and employment center and Federal Way schools. Created a new garden to promote vocational gardening and cooking skills

To ages 18-21 years. The club received grants from WSFGC Endowment Fund and NGC Espoma program.

Civic Achievement/Membership Enhancement

1st Marine Hills Garden Club

Chinook District

Created a FREE LIBRARY in memory of long-time member, Caroline Linddell in partnership with the Federal Way Eagle Scouts and the Federal Way Parks Department

1st Garden Hour Garden Club **Hill & Dale District**
“Pot Party” Assist customers at a local garden center potting their plants
while at the same time advertizing their club and its worthy activities.

1st Hill & Dale District **Hill & Dale District**
Celebrating 75 Years, Yesterday, Today and Tomorrow
The Pierce County Fair and Hill & Dale District’s theme as it celebrated its 75th anniversary.

Community Service/Special Achievement

1st Queen of Spades Garden Club **Central District**
Created and donated floral centerpieces for a special fundraiser for Ukrainian families
located in Kittitas County

Community Beautification

2nd Enumclaw Garden Club **Chinook District**
Planted trees, shrubs, and flowers at the entrance and around the VFW hall in Enumclaw.

Cleaned, replaced soil, and replanted standing bed in a retirement community
with help of residents. Plans for annual maintenance activities are underway.
- 2nd Marine Hills Garden Club Chinook District
Annual Garden Therapy project for residents in assisted living and nursing facility. Provide
gifts bags and floral arrangements during the Christmas and Valentine's holidays.
- 3rd Garden Hours Garden Club Hill & Dale District
Members provided pumpkins and plant material as well as aid in making floral designs.
Seeds were saved and roasted by the facility's cook.

Horticulture

Horticulture Essay Award

Cindy Swanberg Root & Bloom Garden Club Hill & Dale District

The Forgotten Fruit

I waited patiently that first fall in my new home for the "pears" to ripen on the small tree along the fence line. They were increasingly golden and a bit fuzzy and lumpy. I had never grown a pear so figured this must be an unusual variety. I consulted my garden bible, Google. What is a fuzzy yellow pear, I asked? She answered that it was not a pear, it was a tree quince, *Cydonia oblonga*. I watched as my fruits yellowed and grew larger than pears. My sources told me to leave them on the tree as long as possible. As the fall progressed, I could actually smell the lovely aroma of the fruit just by walking into my backyard.

My research told me that quince originated in the Caucasus mountain foothills of Iran and Turkey. In ancient Mesopotamia it was called the *golden apple*. Some believe it was the *apple* in the Garden of Eden. It was brought to the Court of King Edward of England in 1275 and it is likely English colonists carried it carefully tucked away on ships crossing the Atlantic, the hopeful start to a new life. It is sure to have graced the gardens of my ancestors as they moved west, from farm to farm from Connecticut to Kansas. Quince became a common tree in the American farms because the skins are full of pectin needed for setting jams and jellies. It also made amazing pies when mixed with honey and apples. Once powdered pectin was developed in 1934, the quince declined in importance. Until recently it had almost been forgotten.

But why was the small quince tree in my suburban subdivision? Did the former owners crave some jam? The following spring, I had my answer when it was covered with exquisite pale pink blooms. The previous owners loved pink flowers and gnarled trucks, and this checked both boxes. The flowers looked a bit like single-petaled roses. That makes sense because quince is in the Rosaceae family like apples and pears but sits in a lonely genus with only one species, itself. It is easy to care for, mostly disease resistant, hardy in zones 5-9, and a lover of sun and low summer humidity. It is also self-pollinating so only one is needed to make fruit. It has been promoted by today's gardeners as a tree for the future.

The story of my little Quince tree has just begun. I have harvested only six large fruits each year but after peeling them and cutting them up, then letting them bubble away for eight hours with some sugar in my crock pot, they magically turn from bitter, grainy white to sweet rose-pink. I have served the jam to my garden club on crackers and put it on my morning yogurt. But most importantly, this forgotten fruit has sweetened my garden journey and taught me to dig a bit deeper for the story behind the pretty flower.

American Farmer Award

No club completed the requirements of 100% participation for the award. Clubs recognized but not with 100% participation: Queens of Spades GC – Central District members; Diane Franchini, Diane Storms, Diane Ota, Bev Kluth, Sue Wheatley, Stephanie Pratt, Diane Bollock-Gauron, Shelly Lounsbury Griffen.

Port Angeles GC – Olympic Peninsula District members; Linda Caswell, Darlene Gahring, Mary Kelsoe, Kate Stephenson, Bobbie Daniels.

Rosalia GC – members; Carley Dube, Marilyn Harkins, Michelle Ward, Rosanna Hester, Laura Fulton, Penni Barringer, Gay Buissink, Marva Lee Peterschick, Kathleen Norton.

Organic Gardening

Queen of Spades GC – Central District members; Diane Storms, Diane Ota

Port Angeles GC – Olympic Peninsula District member; Date Stephenson, Linda Caswell, Bobbie Daniels, Mary Kelso.
