Club Website: <http://alderwoodgardenclub.org>

Club's Facebook URL: <https://m.facebook.com>AlderwoodGardenClub>

Club Interests: “We have speakers at almost every meeting addressing gardens related subjects. There are floral arrangements and horticulture displays at each meeting. We plant and maintain five gardens at the Cedar Valley Grange. Every month throughout the year, we have a plant study (third Thursday of each month.) We discuss garden related issues suggested by members including plant propagation, seed starting, insect problems, plant health, watering, etc. We hold our annual plant sale the last Saturday in April from 9:00 a.m. – 1:00 p.m. A horticultural scholarship is given each year to a student at Edmonds College. We have tours throughout the year to public gardens, nurseries, parks, member gardens and other spectacular private gardens.”
