Both courses will be held virtually via Zoom in a convenient two-day format (Friday and Saturday) which means no travel or hotel expenses required.

Achieving and Maintaining Your Status

- **Becoming an NGC Consultant:** To achieve full status as an NGC Consultant, a garden club member must complete all 4 courses and pass the course exams. If you have already taken Courses 1 and 2, this is the perfect opportunity to fulfill your requirements!
- **Refreshing Your Consultant Status:** If you are already an accredited LDS Consultant and need to refresh your credentials, you may take either course. Please note that refreshers are not required to complete the exam.
- **Audit Only:** If you are simply looking to learn without receiving official credit, you are welcome to register as an auditor.

Registration Pricing

- **AFGC Members:** $95 (Students) | $90 (Refreshers) | $80 (Audit)
- **Non-AFGC Members:** $110 (Students) | $105 (Refreshers) | $95 (Audit)

Please note: All participants must attend a brief, mandatory pre-course orientation session prior to the classes.
